# Mongoose Mountain Bike - Ritual Dirt Hi

## 2010 Mongoose Ritual Dirt Hi Tech Specs

MSRP: \$1199.99 (MSRP reflects US pricing and does not include freight & assembly and may vary by region)

**Mongoose Ritual Dirt Hi Overview:** Dirt, street, park; you don't limit your riding style so why should your ride limit you? The Ritual is designed to be as smooth as a buffed out rhythm section and tougher than the mall cop eyeballin' you at the top of that stair gap. The full 4130 Cro-Mo frame features horizontal micro dropouts with a removable derailleur hanger, ISCG chainguide mounts and a sleek down tube/ head tube gusset. The 2010 Ritual offers up real world durability and performance that allows you to take your progression to the next level.
